Summoning the Timberliner

Photos by Dan Sanderson

Hundreds of people came to downtown Grayling on Saturday and Sunday for the Timberliner Train weekend. The train excursion was sponsored by the Crawford County Historical Society, in conjunction with the Steam Railroad Institute and the Bluewater Michigan Chapter of the National Railway Historical Society, to raise funds for the Crawford County Museum. Left, Bryce Davison, 6, Hunter Sholz, 5, and Kendra Davison of Grayling blow their train whistles as they wait for the Timberliner to arrive. Above, the Pere Marquette Steam Locomotive #1225 pulled the Timberliner into town for the train excursion.

Streetscape project strategy changed

Mother Nature has been kind to the City of Grayling's \$1.3 million streetscape project, but issues involving underground work along Burton Court has pushed construction behind schedule.

Contractors and city officials, therefore, are changing their strategy for the project, working on both east blocks of Michigan Avenue rather than focusing on one block at a time, Grayling City Manager David Thayer said.

Last week, the west block of Michigan Avenue was opened to traffic. Crews from Decra-Scape, a Sterling Heights based firm, are currently installing brick pavers along the sidewalks. Tree planting will follow the installation of the pavers.

The city's downtown parking lot, located off of James Street behind Chief Shoppenagon's Motor Motel, is open for parking.

Contractors will install the stormwater catch basins on the east block of Michigan Avenue this week. The survey crew will also be placing grade markers. Traffic lanes will be open, but no on street parking is expected.

During the week of Oct. 15, work crews, beginning on Monday, will install the curbs on the north two blocks of Michigan Avenue, and will then continue on the south side of the roadway. Cement contractors

are expected on Wednesday, Oct. 17 to begin the placement of sidewalks on the north two blocks, then will move to the south blocks. Traffic lanes will be open. However, no street parking is expected.

Burton Court Street will also be reopened to traffic by Wednesday, Oct. 17.

On Monday, Oct. 22, the center two lanes on the east blocks of Michigan Avenue will be pulverized. Traffic will be routed along the curbs. Road grade work will be ongoing with the continual movement of traffic lanes. Brick pavers will be installed along the sidewalks. No on street parking is expected.

During the week of Oct. 29, the asphalt base coat will be placed on the east blocks of Michigan Avenue and Burton Court. Then, the final coat of asphalt will be placed on the west block of Michigan Avenue. The installation of lampposts will begin on Friday, Oct. 26. Limited on street parking will be available after the street is reopened.

During the week of Nov. 5, tree planting, brick pavers and lamp post light installation is expected to be completed. If the weather is favorable, the topcoat of asphalt will be applied on the east blocks of Michigan Avenue. The completion date for the project remains Friday, Nov. 9, Thayer said.

Oz Project aims to save cairn terriers

by Dan Sanderson
Staff Writer

A rescue operation, aimed at getting cairn terriers back on the yellow brick road, was recently established in Grayling Township.

The Col. Potter Cairn Rescue Network has an intake center, run by volunteer Kathy Cabble called "The Oz Project," which is located off of South Staley Lake Road.

The Col. Potter Cairn Rescue Network is a non-profit organization that was established in 2001. The organization was named after Col. Potter, a charismatic cairn terrier that was featured on AOL.com.

Fans of Col. Potter were moved to establish the rescue network in his memory after he was hit by a car and killed.

Since adopting out the initial couple dogs, the organization has rescued over 1,500 cairn terriers, which have been placed in homes throughout the United States and Canada.

Most of the cairn terriers rescued by the organization come Continued on Page 12A

Men's Group repairs county workout facility

by Dan Sanderson
Staff Writer

The Men's Group, a group of Grayling area men who meet for food and fellowship every month, did some heavy lifting for the Crawford County Sheriff's Office and county employees last week.

The Men's Group is a non-denominational organization that meets on the fourth Monday of each month for dinner, fellowship and a monthly program about a business or organization in the community. During winter months, the group meets at the Michelson Memorial United Methodist Church. In the summer, the group has barbecues at the location where they have their educational programs.

In June, the Men's Group was hosted by Crawford County Sheriff Kirk Wakefield. A record 99 attendees toured the sheriff's office and Central Dispatch facilities. Sheriff's office personnel displayed various equipment and tactics used for special operations.

When Men's Group members noticed the weathered garage doors in the workout facility,

used by sheriff's deputies and county employees, they decided to return to repair the facility. Holes in the doors in the building, where ambulances were formerly parked, causes heat to escape. Heavy snow and ice melting was also causing water to come into the building.

"I saw the need there, so we decided to get a group of volunteers together to repair the building," said Charlie Fick, who attends the Men's Group meetings. "We did it mainly for the sheriff and his crew, but all county employees will benefit from this."

Over the past two weeks, Men's Group employees built walls to close off the entrance to the workout facility. Todd Collen laid blocks for the walls, which will stem the flow of water into the building. Mayday Windows donated two windows. The materials were donated by Fick and Sons, Inc., with labor coming from a half dozen Men's Group members.

"We had more volunteers than we had work for them to do," Continued on Page 11A

Ticket deadline extended for annual government forum

The deadline to purchase tickets for the second annual Government Forum has been extended to Oct. 15. The Forum is being hosted by the Crawford Au Sable School District and will be held in the high school cafeteria on Monday, Oct. 22. Organizations and individuals are encouraged to join government officials in attending this event. Patrick Crosson, Main Street America developer, will present the four-season theme park project.

After dinner, Justin W. Sprague and J. Douglas Piggott, planners with Rowe Inc., will facilitate discussion focusing on the question of what impact the Main Street America project will place upon your governing unit.

Sprague is a graduate of the University of Michigan-Flint

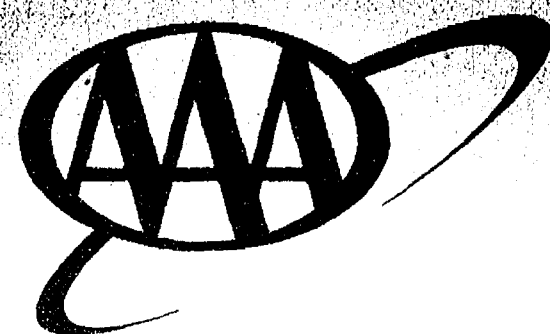

with a B.S. in Resource Planning. He joined Rowe Incorporated in 2004 as a graduate planner, and was promoted to planner in 2007. His responsibilities include providing a range of municipal planning services to Rowe clients including zoning ordinance amendments, site plan reviews, master plans, downtown development plans and urban design. He also has experience in wetland delineation and watershed protection management. Justin lives in Fenton and serves on the board of the Southern Lakes Parks and Recreation Regional Authority.

Piggott is a graduate of Michigan State University with a B.S. in Urban Planning. He served as an associate planner for the Ark Tex Council of Governments in Texarkana Texas and as the Director of

Planning for Shiawassee County before joining Rowe Inc. in 1990. In 1995 he was named an Associate with Rowe. His work with Rowe has included the provision of a wide range of planning services to municipal clients, with an emphasis on public participation and inter-governmental cooperation. He is a former president of the Michigan Chapter of the American Planning Association and a current member of the Planning Law Committee of the Michigan Association of Planning. He lives in Corunna with his wife Peggy and their son Charlie.

Gaila Gilliland, CCEDP Executive Director explained, "We are very fortunate to have not one, but two skilled facilitators assist with our discussion of how the theme park project will impact various local units of government, what are the implications of those impacts, and how we'll incorporate those implications into our plans."

The Government Forum is open to the public; tickets must be purchased no later than Oct. 15. No tickets will be sold at the door. Contact Nancy Wells at 344-3500 at Grayling High School to buy tickets. Ticket price is \$20. For additional information, contact Gaila Gilliland at the Crawford County Economic Development Partnership office at 348-9030 or by e-mail at gaila@i2k.com.

United Way to host holiday auction event

"Care Night", the Crawford County United Way's annual auction event, will be held this Nov. 10, at the Ramada Inn in Grayling.

This holiday themed event will offer live auction items, silent auctions, bucket raffles and the popular 50/50 drawings. All items have been donated by area businesses and residents as part of the largest holiday fund-raiser in the community.

The board of directors have intentionally moved the winter

event back to pre-holidays, in hopes of increasing attendance and sales, and to accommodate donors that travel south for the winter months.

The evening begins at 5 p.m. with hospitality and auction preview. The auction starts at 7 p.m.

The cost of the admission will be \$15 each, which will include a popular appetizer buffet. Tickets will be held at the door with a credit card or advanced check and will be available after Oct. 15 at the Grayling Chamber office

or the Crawford County Avalanche.

The United Way fund-raising committee is busy planning a fun event and invites everyone in our community to attend. "There are always wonderful items and great bargains," stated Director Linda Williams.

"We need donations of all kinds," Williams said. Interested persons may call the Crawford County United Way at 344-9300, during business hours, for more information.

Man arrested for breaking and enterings

A 20-year-old Grayling Township man was arrested for several breaking and enterings on Tuesday.

Crawford County Sheriff Kirk Wakefield said that deputies arrested the man at 5:30 a.m. on Tuesday, Oct. 9. The arrest is the result of an investigation of several residential breaking and enterings and one business break-in that had just occurred.

The break-ins occurred at four

different locations. The subject is also suspected of attempting to steal four different vehicles in the area. Upon locating the subject, a stolen ORV was recovered along with other property taken earlier. After the subject was taken into custody, he damaged a police vehicle by kicking the rear window.

The original call for assistance was received at approximately 1:30 a.m. on Tuesday. During the

four hours spent locating the subject, he committed additional crimes, which will result in at least 12 felony counts against him.

The investigation will continue, and the subject's name will be released, pending his arraignment.

The Michigan State Police, Houghton Lake Post, assisted Crawford County Sheriff's Deputies.

Hospice Remembrance Service to be held

Mercy Hospice will hold the 2007 Annual Memorial Service, Oct. 17, at 6:30 p.m., at St. Michael's Catholic Church in Roscommon.

If someone you know has lost a loved one through death and would like to remember them in this special candle lighting ceremony, contact Mary Beth Brady at 344-4410 or 1-800-424-1457, give the name of your loved one and how many people will be attending, so Hospice may plan accordingly. To have your loved one's name in the program, call before Oct. 15.

You need not be present to have a candle lit for your loved one(s). Refreshments will be served.

Pick your President through computer dating

The Internet has opened so many doors, and behind those doors lay so many possibilities.

Using the computer and the Internet has changed the way we do so many things. It has changed the way we live our lives.

There's You Tube, through which we can watch America's funniest home videos without a television. There's Google, which has replaced the dictionary and encyclopedia. E-mail may someday put the Postal Service out of business. Now we instant message instead of using the phone - or leaving our houses, for that matter.

And everyone knows that the Internet will eliminate our need for newspapers, right?

Now the Internet can even help us pick out which candidate for President best suits our interests.

Last week in the in-box, amid the

usual scores of unwanted junk, was an e-mail from a friend with a link to a Web site. Through that link, you could find out whom you should vote for for President in the upcoming 2008 elections.

Why not? I figured I already wasted enough time on this computer, what are a few more minutes to help me answer this looming and quite worrisome question. Like most of you, I've been losing sleep over this pending decision for weeks now, so why not put it to bed.

With a few easy strokes, I was at www.wqad.com/Global/link.asp?L=25946.

It appears to be a Minnesota television station Web site, and through some survey hocus-pocus, the site tells you which candidate matches your positions on American issues.

* * *

A few more keystrokes captured my

zip code, gender and general age. Then the fun began.

"What is your opinion on the war in Iraq?" The six answer choices included immediate and orderly withdrawal; supporting a timetable for withdrawal; decentralize and divide the country into regions with separate governments; draw down U.S. troops and decentralize; admit we are there for the long haul as support forces; or stay for as long as it takes. Pick one. And then rate the issue on a scale of not important to very important.

There are 11 questions in all. The multiple-choice topics include Iraq and immigration. "Favor" or "Oppose" questions sought my view on keeping tax cuts permanent, stem cell research, providing universal health care, abortion, the line item veto, providing federal assistance for alternative energy sources, the death penalty, privatization of Social

Security, and a Constitutional amendment on marriage.

All ask if the issue is very important or not important with a range of four choices.

The computer tallies up all your answers, tells you who best matches your views and therefore should be your choice for President.

The wait isn't long, but you do have a moment to let your mind wander. Who will it be? Is it Mitt Romney? Not Hillary Clinton? Barak Obama? Rudy Giuliani? Who will it be?? Fred Thompson? Chris Dodd? Maybe I'm really for John McCain...

My one big question: Who is Duncan Hunter??

* * *

Duncan Hunter? That's who I should support to be the leader of the free world? According to the computer - which we all know is smarter than any

human - that's my guy.

With my sincere apologies to the Hunter for President campaign - I've never heard of you. I don't know what you do; I don't know what you've done to deserve to lead our nation.

But don't feel bad. I haven't heard of Mike Gravel either.

The comfort is that there's more than a year until the election. These candidates still have time to make some waves, to get more people on their bandwagons.

Until that time, I guess I'll keep reading my newspapers to get real information on who candidates are and where they stand.

And I'll treat this choice like I do when my computer tells me other things. Like "Click Here."

Every one of us can help our local schools

To the editor:

During these times, we have so many questions: will our state be able to balance the budget, will the theme park be built and help our economy in Grayling, or will gas prices ever go back down to an affordable price? One thing I know for sure is that everyone can help out our local schools and non-profit organizations without additional expense.

I'm speaking of Spartan Brand's "Cash For Labels", Campbell's "Labels for Education" and General Mills' "Box Tops for Education". All of these projects can be collected by purchasing food that you would normally buy.

With Spartan brand items remove the label and each UPC code is worth two cents for our schools. There are over 1,400 Spartan brand products available and many are priced 10-20 percent less than comparable national brand items.

Campbell's "Labels for Education" works in the same way. Cut the UPC code off of each Campbell label and they can be redeemed for free merchandise, such as audio-visual equipment, physical education equipment, and musical instruments. Other food items that participate in the Campbell

label program are Prego pasta sauces, Swanson broths and canned poultry and Pepperidge Farm. Look for the "Labels for Education" logo near the UPC code. Over 150 Campbell products are worth five points, making it easier to reach the school's collection goals.

The Box Tops for Education is sponsored by General Mills. Simply cut out the small coupon that is worth ten cents each to our schools. They can be found on hundreds of items.

I'm asking our community to start collecting these labels and coupons and drop them off at the AuSable Primary, Grayling Elementary, Grayling Middle School or at the District Central Office at Grayling High School. Or, send them to school with your child/grandchild or neighbor's child. They do not cost you anything other than your normal grocery purchases and they can make a big difference for our children. If we work together, we can build better schools for our children one label at a time.

If you are unsure of what to cut out, please remove the entire label or box top and school volunteers will cut the required area.

Animal control officer is an asset

To the editor:

Our animal control officer is an asset to our community.

It was terrible, a cat had been hit by a car in front of our office on Tuesday, Oct. 2. We pulled the cat off the four-lane road and it wasn't dead. Its back was probably broken. It laid there trying to move, withering in pain. It was the worst thing you could witness.

I called the vet's office and was told I would have to take responsibility for the animal, which meant paying the bills. They said to try calling the animal control office, but it was 5 p.m.

I did call and got a recording which directed me to call the animal shelter or dispatch. The shelter was closed.

Dispatch was great. They paged the animal control officer, who was off duty already, and at home settling in with her family. She called me back immediately, I told her what was happening, and she said she would see if she

could get a vet to stay after hours. She called back and said she'd meet me at the vet with the cat.

Unfortunately, I couldn't pick up the cat. I called back dispatch, who had the officer call me back. She said it would take longer, but she would get her uniform back on, go get the animal control truck and come get the cat. She was so gentle with the dying cat. This all happened within 40 minutes.

The animal control officer, come to find out, had to make special arrangements with the vet's office to take care of the cat. I don't know who else would go through the trouble of interrupting their family, off-duty time, to come and help a dying pet. It's great to have Gail as our animal control officer and to have the Grayling Hospital for Animals. A word to pet owners who allow their animals to stray: take responsibility.

Nothing wrong with progress

To the editor:

When the media announced the possibility of an amusement park near Grayling, many thoughts came to my mind. As a former resident of Grayling, I am interested in the economic effect it would have on the surrounding communities.

It sounds like there seems to be some "loose ends" over this proposed project. There are many questions concerning the massive financing for an amusement park of this magnitude, that have not been answered.

Such as, if a bond issue is being contemplated, would there be a referendum for the citizens to vote on this proposal? I am sure the bond attorneys would make this calculation depending on the total cost of financing. It is hard to believe that the citizens of Grayling

would vote to increase their taxes during the current economic level in this area.

The other concern I have, read from other letters to the editor, is that some readers claim important and delicate information is being withheld from the public. I certainly hope that our Grayling elected officials will have the honor and integrity to have a public hearing, so that all can be informed.

There certainly is nothing wrong with progress in our communities, but the residents should be completely knowledgeable of the facts and how this endeavor would affect them.

Perhaps the developer would be wise to seek other financing options.

Joan L. Murphy
Roscommon

Why oh why?

To the editor:

Did the people in charge of the city government in Grayling a few years ago make the decision to build a new combined city hall and police station in the most remote location inside the city limits? They built it on a hard to find, dead-end road, far from the center of Grayling. Especially, when a great prime location on vacant land was available (and still is) within a short walking distance of the Crawford County building off west M-72, on the property that was once the Fred Bear operation.

They built a great looking building, with good parking, and nice landscaping, but then again, no one knows it's there.

If built on M-72 at the vacant old Fred Bear location, it would have been seen by all M-72 travelers and local residents. A real

ly great opportunity to create a favorable impression of Grayling as a nice and prosperous town.

In my lifetime, (80 years and counting) I have never seen such a blunder. Could they possibly have been so stupid, or did they gain (follow the money) personally financially from their decision?

I would like to see a state investigation of their, at the very least, strange decision to build where they did. If there was any personal financial gain involved, they should be held accountable.

My strongest hope is that none of the people involved in making the City Hall location decision are involved in deciding whether or not we get a theme park in Grayling.

Elected members work for us

To the editor:

On Oct. 1, residents of Beaver Creek Township were sent letters from the board, signed by Sharon Hartman, regarding an Oct. 15 meeting concerning the proposed new garbage and refuse station.

I urge every Beaver Creek Township resident to attend this meeting at 7 p.m. While the letter was poorly written and confusing, the township Web site is more clear.

The Beaver Creek Township Web site states that the purpose for the meeting is: "The township will hear objections to the creation of the proposed garbage and refuse transfer station special assessment district, which may include the right (it said "tight" on the site) of the board to periodically redetermine the cost of the annual assessment without further notice to the

assessed property owners."

What this means, people, is your elected board will have the right to raise the assessment any time they want and will not have to notify you. It could be once a year, twice, whenever they choose.

This is ridiculous.

Why elected officials would even try to do this is beyond many of the residents. No board should have the right to arbitrarily raise our assessments without a vote. Taxation without representation is not something I wish to give up, nor should you.

Elections are right around the corner. It is imperative that residents go to the 7 p.m., Oct. 15 meeting to remind all the members of the board that they work for us - it's not the other way around.

Free radon test kits available during Radon Action Week

As the weather cools and you begin sealing up drafty doors and windows in preparation for winter, now is a good time to think about the quality of the air inside your home. Has your home been tested for radon? If not, you have no way of knowing whether you are being exposed to elevated levels of radon, a class A carcinogen, right in the "safety" of your own home.

District Health Department #10 will be giving away free radon tests kits during Radon Action Week, Oct. 21-27. To obtain your free kit, visit any local county office of District Health Department #10.

Radon is a naturally occurring radioactive gas that comes from deposits of uranium in soil and rock. Radon is harmlessly dispersed into outdoor air, but when trapped in buildings it can be toxic to humans. Radon has been found in elevated levels in homes in every state in the US. The US Environmental Protection Agency (EPA) estimates that as many as one in 15 homes across our nation has elevated radon levels.

Without testing, you will never know whether radon is present. You cannot see or smell radon, but it can be inhaled into the lungs where it undergoes radioactive decay. As it decays, it releases tiny bursts of energy called alpha particles, which can harm sensitive lung tissue by damaging the DNA. This damaged DNA can lead to lung cancer.

Most everyone knows that smoking is the nation's number one cause of lung cancer, but most people are surprised to

learn that radon exposure is number two according to the US Surgeon General. Even though radon exposure does not cause immediate symptoms, many studies have proven that long-term exposure can be deadly. The EPA estimates that radon causes approximately 15,000 lung cancer deaths each year.

If radon is present in soil, or rocks under and around your house, it can seep in through cracks or joints in the foundation, floors, walls, doors, windows and openings around floor drains, pipes, and sump pumps on the lower level. Radon levels inside your home may be high regardless of whether you have a basement, a crawl space, or a poured slab beneath your house. Even on the same street, the levels of radon in your home may be significantly different from your neighbor's.

Homeowners can test their levels of radon, and can take action to reduce elevated levels. Radon test kits are easy to use. Simply open the package, place the tester in the lowest level of your home, and wait the number of days recommended in the kit directions. When the test is complete, seal the kit back in the package and mail it to a lab.

Test results will be mailed to you by the lab, along with information about what to do if the radon levels in your home are found to be higher than what is considered safe. A variety of methods can be used to reduce radon levels. These include sealing cracks and other openings in the foundation and installing ventilation systems with pipes and fans.

Hartwick Pines to host Critters in the Forest Halloween Walk

Hartwick Pines State Park will once again be hosting the annual "Critters in the Forest" Halloween Walk on Friday, Oct. 19 and Saturday, Oct. 20. This event will be held from 5:30 p.m. to 8:30 p.m., on both evenings, at the park's picnic area. While this program is especially focused for families with young children, all who come out will enjoy the Jack-O-Lantern lit walk through a portion of the Old Growth Forest and meet several of Michigan's forest animals. These animals portrayed by costumed volunteers, including a bat, skunk, bear, wolf, snake, owl, spider, vulture and others, will tell you a little about themselves to dispel some common misconceptions. After the walk, there will be cider and some snacks at the picnic shelter. Children are encouraged to dress in their Halloween costumes and will receive a treat bag, while supplies last.

There is no admission for this program, however a State Park Motor Vehicle Permit is required for park entry. For more information about this event, and other programs at Hartwick Pines State Park and Logging Museum, please call (989) 348-2537 or check the following websites: www.michigan.gov/hartwickpines or www.michigan.gov/loggingmuseum.

The Logging Museum is jointly operated by the DNR and the Michigan Dept. of History, Arts and Libraries' Michigan Historical Center and is a field-site of the Michigan Historical Museum.

The Bible Speaks

Sanctified Instruments

Romans 6:13 says, "Neither yield ye your members as instruments of unrighteousness unto sin: but yield yourselves unto God, as those that are alive from the dead, and your members as instruments of righteousness unto God." Last week we examined our example for sanctified service in the live of our Lord Jesus Christ. We should be striving daily to please God in our own lives.

God has created our bodies as vessels to honor Him. As 2 Timothy 2:20 states: "20 But in a great house there are not only vessels of gold and of silver, but also of wood and of earth; and some to honour, and some to dishonour." "7 But we have this treasure in earthen vessels, that the excellency of the power may be of God, and not of us." (2 Cor. 4:7). We have God's presence dwelling inside our earthly bodies of clay. "19 What? know ye not that your body is the temple of the Holy Ghost which is in you, which ye have of God, and ye are not your own? 20 For ye are bought with a price: therefore glorify God in your body, and in your spirit, which are God's." (1 Cor. 6:19,20). Even

the great apostle Paul was criticized for the weakness of his flesh in 2 Cor. 10:10. "10 For his letters, say they, are weighty and powerful; but his bodily presence is weak, and his speech contemptible." But we know this old earthly house will be replaced at the return of Jesus Christ. "1 For we know that if our earthly house of this tabernacle were dissolved, we have a building of God, an house not made with hands, eternal in the heavens."

Keeping our instruments clean for God's service is a very practical matter also. You have read signs in restaurant bathrooms reminding the workers to wash their hands before returning to work. Now most of us would appreciate the reason for signs like that. Should you see a worker exit the stall of a bathroom without stopping by the wash basin, it would probably alter your appreciation for the upcoming meal.

Suppose you were in a dentist office and noticed the dentist working on someone in the next room. If he came to examine your teeth without first washing his hands you would probably become even more nervous. Suppose you were waiting in a fast-food restaurant and noticed someone flip a burger which fell

upon the floor only to be quickly retrieved and placed inside the bun you would receive moments later to fill your order?

Would you ever expect a surgeon to use a dirty, defective or dull instrument to perform a surgery on you? Yet, our Lord Jesus Christ is the great physician and we are his instruments. Does it matter to Him or others if we have become dirty, defective, dull instruments for his service? Can we yield our body members as instruments to serve sin during the week, and then yield those same instruments unto God on Sunday expecting to worship and glorify Him?

God the Father is Holy, (John 17:11); God the Son is Holy; (Acts 3:14, 13:35); God the Holy Spirit is Holy. (Luke 11:13); God's Scriptures are Holy. (2 Tim 3:15); God's angels are Holy, (Luke 9:26); God's prophets were Holy, (Acts 3:21); and God's saints are to be Holy. (1 Cor 3:17, Eph 1:4, 1 Thess 5:27, Heb 3:1, & 1 Pet 1:15,16). We cannot serve sin and be sanctified instruments of God. Pastor "B"

Animal Shelter plans 'Senior PetLover Adoption Day'

Pets are just what the doctor ordered for seniors when it comes to keeping them healthy and happy. They provide comfort in a time of need, company in a time of loss, and friendship free of conditions. This is especially true for senior citizens who can develop health-related issues as they age. However, research

suggests the unconditional love and companionship provided by a pet can help seniors lead a healthy life.

According to the 1999 Journal of the American Geriatrics Society, independently living seniors who own pets tend to have better physical health and mental well-being than those who do not. In addition, a study by the Journal of Personality and Social Psychology, in 1990, found seniors who own dogs do not have a need to go to the doctor as often as non-pet owners.

In order to communicate the life-enriching benefits of pet ownership among senior citizens, and to help homeless pets find loving homes, the AuSable Valley Animal Shelter will be partnering with Purina® to host an adoption event on Oct. 20, 2007, at the shelter from 10 a.m. to 2 p.m. At the Senior PetLover Adoption Day event, local senior citizens aged 60 and older are invited to spend time visiting with the shelter's adoptable dogs and cats and consider bringing a furry friend into their home.

"Over the years, many of our local seniors have adopted a furry friend from us, volunteered, and made donations to help keep the shelter operating and build our beautiful new facility," said Cheryl Ruley, Secretary/Treasurer. "Senior PetLover Adoption Day is a great opportunity for us to say thank you, as well as showcase our wonderful pets and new shelter, especially to those who have not had a chance to visit since the grand opening in July."

"Finding homeless pets permanent homes is our organization's biggest priority," said Shelter Manager Cheryl Postma. "By introducing local seniors to our pets, we are hoping to ensure not only the well-being of our pets, but also the well-being of local seniors. We are really looking forward to this first-time event."

The Senior PetLover Adoption Day event is part of the Purina® Senior PetLover Adoption campaign, which promotes the life-enriching benefits of pet ownership among senior citizens across the country. During the month of October, animal shelters nationwide are rallying together to host Purina® Senior PetLover Adoption events in their local areas. At each event, shelters will provide local senior citizens an opportunity to meet adoptable pets, possibly find a companion to adopt and receive a \$50 rebate from Purina®. The rebates will also be available to all senior adopters throughout the month of October.

"We truly understand the joy and benefits pets bring to people of all ages, especially senior citizens," says Dr. Steve Cohn, a Purina Pets For Seniors veterinarian. "By rallying together with local shelters, we allow seniors to understand the benefits of having a pet as a companion, as well as provide resources to help bring a loving pet into their homes."

"This is the first time we have ever been able to offer a senior discount on our adoption fees and we couldn't do it without this thoughtful program spotlighting

the need to find homes for homeless pets, while fulfilling the need to keep our older generation healthy and active," Postma said. "We are very grateful to Purina for this dual opportunity to help our community as a whole."

The new shelter's annual operating expenses are projected to be about \$105,000, of which only \$12,000 will come from Crawford County through its contract to house dogs brought in by the Animal Control Officer and law enforcement. The AuSable Valley Animal Shelter receives no compensation from the county for dogs or cats brought in by the general public. About 90 percent of the shelter's revenue comes from adoption, holding and drop-off fees, donations and full-time fund raising.

"For that reason, we have never been able financially to offer any adoption discounts," Ruley said. "Now that we have a mortgage payment on the new shelter, any discounts were out of the question, until this program through Purina Pets for Seniors came to our attention."

For more information, please visit www.purinapetlover.com, call AuSable Valley Animal Shelter at (989) 348-4117 or stop in at the new shelter located at the old Crawford County Fairgrounds. Use the fairground entrance. Turn left immediately after passing the big entrance sign. The shelter is open to the public Monday-Saturday 10 a.m. to 3 p.m., Sundays and Holidays from 10 a.m. to 2 p.m. Off-Hours appointments are available by calling the shelter.

Walley
is a 2 - 3 year old Shepherd/Lab/Hound mix. He is uncomplicated and would make a fine family dog.

AuSable Valley Animal Shelter, formerly the Animal Shelter of Crawford County, took in over 300 dogs/puppies last year. The numbers are on the same track for 2007. Most dogs come to the shelter after being picked up by Animal Control or have been found wandering by concerned citizens. Some are thoughtlessly abandoned by their owners when they move away. In 2006, less than one-third of the dogs that found refuge at our shelter were claimed by their owners. That leaves a lot of great dogs looking for loving, new homes... and they're looking to you for another chance for a happy life!

Cornell Insurance Agency relocates to new home

by Dan Sanderson
Staff Writer

Cornell Insurance Agency is marking its 90th anniversary by moving to a new location at 201 Huron St.

The former location for the agency, located on the I-75 Business Loop, was sold to make way for a new Walgreens store.

The new office, located in the building formerly owned by State Farm Agent Craig Combs, had underwent extensive interior and exterior remodeling prior to the move.

"The building fits our needs and it was close to our old location," said Linda Northrop, office manager and co-owner of Cornell Insurance Agency. "It is easy for our customers to find and get to."

The additional space gives the agents more room to serve their customers and store files.

The agency has eight licensed agents, five which specialize in personal lines of insurance, two which focus on commercial business and one which specializes in life and health insurance.

The agency has a variety of options to cover casualty and property insurance for homes and automobiles including, Auto Owners, Citizen's, Pioneer and Progressive. The agency also sells Blue Cross and Blue Shield coverage. They can also issue surety bonds.

"We are a full service agency," said George Stancil, a co-owner of the Cornell Insurance Agency. "There isn't any need that we can't take care of."

The history of Cornell Insurance Agency dates back to 1916, when it was initially known as the AuSable Insurance

Cornell Insurance Agency is marking its 90th anniversary by moving to a new location. Above, Cornell Insurance Agency owners Ron Thomson, Linda Northrop and George Stancil are pictured in front of their new office building.

Agency. The history of the business, however, is more closely associated with Beatrice and Willard "Butch" Cornell, who operated the agency for many years at 701 Maple Street, in an office located adjacent to their home. Butch Cornell was a popular teacher and coach at Grayling High School.

Under the Cornells' ownership, the agency began to grow in the 1940s. They also started a realty

business, now known as Coldwell Banker-Cornell Realty, which is now a separate business from the insurance agency.

In 1964, Paul Thomson, an area insurance claims adjuster, joined the agency.

In 1972, the agency moved to its location at M-72 East and I-75 Business Loop, the same year the business was purchased by Paul Thomson.

Upon Thomson's retirement in

2002, the Cornell Insurance Agency was purchased by Northrop, Stancil and Ron Thomson.

From 8:30 a.m. to 9:30 a.m. on Friday, Oct. 26, Cornell Insurance Agency will host the Grayling Regional Chamber of Commerce's monthly coffee hour.

"It will give everybody a chance to come in and see our new digs," Stancil said.

State Farm Agency moves to M-72 West

by Dan Sanderson
Staff Writer

Grayling State Farm agent Craig Combs recently changed from being a landlord to a tenant to increase the visibility of his insurance business.

Combs moved his State Farm agency from a building he owned, at 201 Huron St. in the City of Grayling, to 6251 M-72 West Suite One in Grayling Township.

Combs said he changed from

being a landlord in the building he owned for 21 years in Grayling, now occupied by Cornell Insurance Agency, to be in a more high traffic location.

"It was a good opportunity to be one of few insurance agencies out on M-72," Combs said.

Combs has been an insurance agent for 31 years. Prior to establishing his own agency in Grayling, Combs held a management position for State Farm in Gaylord.

The new office gives the agency more space to serve customers and to store files.

The State Farm Agency has three employees, all who are licensed to sell insurance in Michigan, including Combs' wife, Lori Combs, and Pam Hanson.

The State Farm agency carries a full line of auto, life, home and health insurance policies.

The agency also offers services through the the State Farm Bank, which offers home mortgages, vehicle loans and credit card services.

In the last two years, Combs said that State Farm agents have been using credit scores, along with personal driving records and claims histories, to calculate premiums for auto insurance.

"Using that combination enables rates to be more favorable than just using the driving history of the consumer," Combs said.

The Men's Group, a group of Grayling area men who meet for food and fellowship every month, repaired the workout facility, used by Crawford County Sheriff's Deputies and county employees, last week. Above left, Ron Wood, a Men's Group member, places a board in place for the new walls at the entrance of the facility. Above right, Todd Collen does the block work for the project, which will prevent water from heavy snow melting from coming into the workout facility.

Men's Group repairs county workout facility

Continued from Page 1A

Fick said. The work out facility has been in place for about five years. Wakefield said that a fitness and agility test was added to the sheriff's deputies contract for employees hired after January 1999. The deputies negotiated to have memberships paid to local health clubs, which was costing the county about \$4,000 a year, so they could comply with the physical fitness mandates.

After a few years of paying for the gym membership dues, Wakefield said that county officials opted to establish their own workout facility. The facility is enhanced and maintained annually.

"I knew we could save money if we went another route," Wakefield said.

A number of county and sheriff's department employees use the facility.

"It's handy," Wakefield said.

"They use it on their lunch break or before or after work."

Wakefield said he had been hoping to repair the facility on his own, and appreciated the help from the Men's Group members.

"They made it happen and it was awesome," he said.

The Men's Group was established in March 1999 and averaged about 28 men per meeting. The goal of the group was to give men a chance to get together, to socialize and become more

informed about the community.

"We made it non-denominational because we have friends who attended various churches throughout the whole community," said Joe Porter, who founded the Men's Group.

Now, the group averages about 76 men per meeting. To date, the Men's Group has donated \$21,917 to the Crawford County Community Christian Help Center from proceeds from the organization's monthly meetings.

SHERIFF'S REPORT

Crawford County Sheriff Kirk Wakefield reports his office handled the following 104 complaints the week of Oct. 1 - Oct. 7:

Two EMS responses, one suicide, one natural death, one missing person, four suspicious situations, ten general non-criminal complaints, one vehicle fire, one tree/brush grass fire, four delinquent minors, two false alarm activations, two assault/intimidation/stalkings, two burglaries/home invasions, two larcenies, one illegal use of cred-

it card, three fraudulent activities, six damage to properties, 10 public peace/disorderlies, one OUIL/UBAL, four health and safeties, one conservation, three miscellaneous criminal offenses, one miscellaneous arrest, 15 traffic accidents, one accident non-traffic, four inspections/investigations-motor vehicle, three inspections/investigations-family, five inspections/investigations-other, four lost and found properties and seven driving violations/driving while license suspended.

Sheriff Wakefield asks: "Do you know where your children are? Please remember, our chil-

dren are our future."

GPA travelogue presents 'Corsica'

The Grayling Promotional Association Entertainment Series 35th season of the Travel and Adventure Series will present "Corsica and the Rivas" narrated by Stan Walsh on the big screen at the Rialto Theatre, downtown Grayling, on Oct. 18.

The tiny island of Corsica lies in the Ligurian sea about 60 miles off the northeast coast of Italy. According to geologists, the island is the result of a continental drift away from the Cote d'Azur of France and Italy's Liguria River.

In this new film, Stan Walsh explores this sun-drenched and wild island with its glamorous, parent coastline.

From Napoleon to Neolithic megaliths to a modern narrow-gauge train ride, you will explore the craggy cliffs near Porta and Sagone; relax in a villa near Bonifacio and see Sardinia on the horizon. On the road to Corte, visit the world-class Hermann Tortoise Sanctuary, then on to Calvi, Bastia and Cape Corse, a finger-like peninsula pointing to Italy's Riviera Del'Avante.

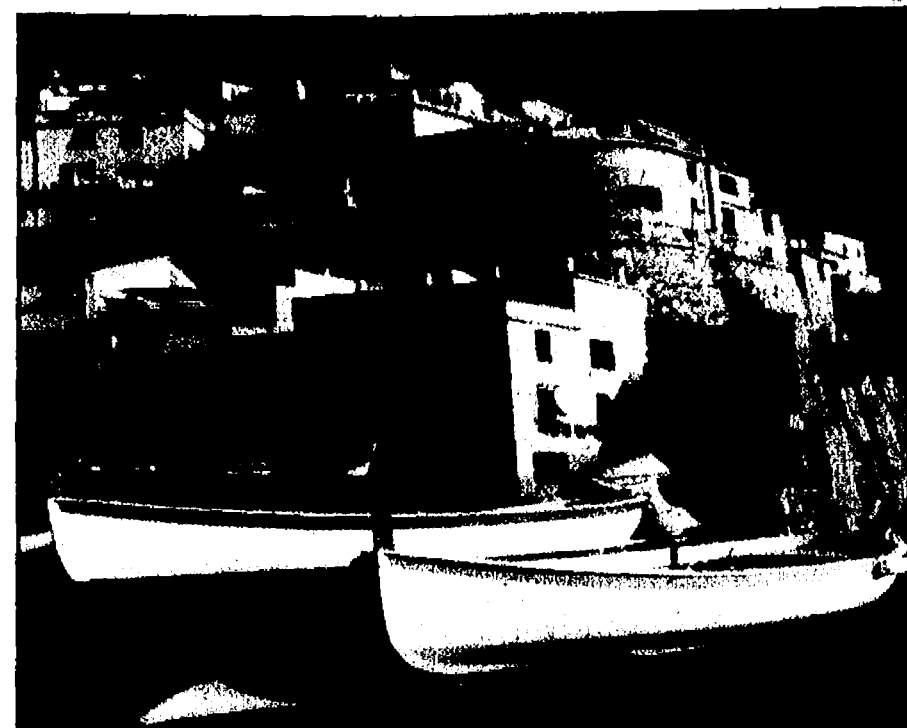

From the marble mountains of Carrara to La Spezia, the Cinque Terre, Portofino Lerica, through pine forests and then pebbly beaches, you'll see the Maritime Alps to the French frontier.

Menton, Monaco, Nice and Cannes are elite place-names on the Grand Tour, but we'll also leave the fashionable coast to visit St-Paul-de-Vence, Grasse and the Var Valley. View hidden villages such as Entrevaux and Eze, a haunt of the rich and famous. And on a clear day one sees the silhouette of Corsica.

The Rhone River, Avignon, Arles, Nimes and unspoiled villages of the Alpilles Mountain are delightful destinations, and meet the people in this exciting trip with world traveler and cinematographer, Stan Walsh.

Doors open at 6:45 p.m. The show will begin at 7:30 p.m. and last approximately 90 minutes. Tickets are priced at \$8 for adults and \$7 for seniors and students, and are available at the Grayling Regional Chamber of Commerce or at the door.

Oz Project aims to save cairn terriers

from people who experience life changing circumstances, such as divorce or moving to a new home, and can no longer care for the dogs. Others come from shelters, breeders or puppy mills, and need more extensive care.

The cairn terriers, known for their tenacity, can also be too much dog to handle for people, families or seniors.

"You just about have to be a step in front of them all of the time," Cabbie said.

Cabbie has the ability to take in multiple dogs at the Oz Project. The intake center received its name since "Toto" from the "Wizard of Oz" is the

most widely known cairn terrier.

Cabbie has an indoor facility, where the dogs can be groomed, receive veterinary care and can be kept out of the elements. Her property also has trails, where the dogs can be leash trained, and an outdoor, fenced-in kennel.

Dr. Donna Simons of Elmira provides the veterinary care for the dogs rescued through the Oz Project. The terriers are spayed and neutered while at the facility.

Dogs rescued through the Col. Potter Cairn Rescue Network stay at Cabbie's facility for up to two weeks.

"Vets just don't have the time to spend with them that Kathy

does," said Valerie Kleine, vice president of intakes for the Col. Potter Cairn Rescue Network.

After the stay at the Oz Project, the terriers then go to foster care homes before they are placed in permanent homes.

"The sky is the limit for what people will do for these dogs," Cabbie said. "We give these dogs a second chance at life."

Rescued terriers from throughout the Midwest will come to the facility to receive care at the Oz Project.

Cabbie, who has a history with show dogs, adopted her first cairn terrier when she was seeking a companion for a blind yorkie named Minnie. She quickly gained a love and admi-

ration for the breed.

"She's just a real godsend for us to have her as a resource," said Pam Burt, chairwoman for the Col. Potter Cairn Rescue Network Board of Directors.

The Oz Project is the largest intake center for the Col. Potter Cairn Rescue Network. The organization has another intake center located in South Carolina.

Cabbie and rescue officials have been working to establish the Oz Project over the last year.

"When you're non-profit, your funds have to be stretched incredibly far," said Danielle Rockstraw, founder of the Col. Potter Cairn Rescue Network. "This is a very important project for us and our efforts."

Card of Thanks

In September of 2003, I was diagnosed with Stage III, Lymphoblastic Lymphoma Cancer. On Oct. 9, I began the toughest chemotherapy given for this type of cancer. This chemo went on daily for two years and on Oct. 9, 2005, treatment was ended and I was in remission.

I have permanent side effects from chemo, but today, Oct. 9, is a celebration of two years of remission and a heartfelt thank you to friends, family, Crawford AuSable Schools, the community and most of all to my mom.

It has been a journey ... but has taught me valuable lessons.

You only have one life to live, cherish every minute, keep a smile on your face, give of yourself, never take things for granted and remember to thank God for life and all that's in it, for every day, for every hour, for every minute. For those who are battling cancer ... never give up, there is a light at the end of the tunnel.

My family would also like to thank everyone for all the prayers and support you gave us during this time. We cannot begin to tell you what it meant.

Thanks again,
Dustin Pizzi

AREA EVENTS

Gaylord - The Gaylord Chamber Orchestra will be opening its 2007/2008 season with a concert led by conductor, Patrick Jarve. The concert will feature organ soloist, Wayne Wyrembelski, and be performed on Sunday, October 14, 4 pm, at St. Mary Cathedral in Gaylord.

Together with the Gaylord Chamber Orchestra, Wyrembelski will perform the "Concerto for Organ and Orchestra in F Major" by Josef Rheinberger. The piece is considered to be among this 19th century composer's finest works. Concertgoers are sure to delight in the piece's lighter style and romantic themes. The concert will also include Edvard Grieg's "Holberg Suite" and Aaron

Copland's "Fanfare for the Common Man." Long known for his love of music and support of the arts in the Gaylord community, Wyrembelski was born in Posen, earned his Bachelor of Arts in Piano and Organ Performance from Central Michigan University and his Masters in Historic Musicology from

Wayne State University. He later earned a Doctorate in Organ Performance from the University of Michigan, where he studied with Marilyn Mason and Robert Glasgow.

He is a member of the American Guild of Organists, earning his AAGO certificate in 1996. In addition to Mason and Glasgow, he has studied with M. L. Robinson-Nowicki at CMU, Thomas Kuras of Detroit, and Haskell Thompson of the Oberlin Conservatory.

Several years ago, Wyrembelski had the opportunity to perform the Rheinberger "Concerto for Organ and Orchestra in F Major" with the Grand Rapids Symphony. Additionally, he has played in the recital series at the Shrine of the Immaculate Conception in Washington, D.C.; the Shakespeare Festival in Stratford, Ontario; as well as in concerts in Krakow and Warsaw, Poland.

Since 1975, Wyrembelski has been the Director of Music for St. Mary Cathedral of Gaylord. He is also the founder of the St. Mary Cathedral Chorale, a group for which he presently serves as choirmaster and organist. Under his leadership, the group has toured Europe on several occasions and sung in the cathedrals of Toronto, Detroit, and Chicago. In 2003, Wyrembelski became the conductor for the Gaylord Youth Orchestra, a group he helped form for the area's up-and-coming string players, and for which he currently serves as artistic director. He is one of the original founders of the Gaylord Chamber Orchestra and a past president for the Gaylord Area Council for the Arts. For the past 32 years, he has been teaching piano and organ to numerous students.

In addition to Wyrembelski and the Gaylord Chamber Orchestra, the concert will include several selected musicians from the Gaylord Symphony Band. Admission to the concert is by donation. **Gaylord** - The Christian Writers Group meets the third Tuesday of every month from 10 a.m. - noon at Alpine Baptist Church, M-32 West and N. Townline Rd., Gaylord. Open to anyone interested in exploring Christian writing. Call 989-939-7766 or 989-732-4602.

St. Francis erases Grayling's 14-0 lead, wins league showdown 48-28

■ **TCSF Gladiators win battle of 5-1 teams in day game at Traverse City on Saturday**

by Caleb Casey
Senior Staff Writer

In a battle of two 5-1 teams on Saturday, the Traverse City St. Francis Gladiators defeated the Grayling Vikings 48-28 in a varsity football day game held at Thirlby Field in Traverse City. Grayling led 14-0 early in the game, but the Gladiators battled back and led 27-21 at halftime. Grayling trailed by five points (33-28) with 9:11 left in game, but Traverse City St. Francis added two more touchdowns down the stretch to win by 20 points.

TCSF improved to 6-1 overall and 5-0 in Lake Michigan Conference games, while Grayling fell to 5-2 overall and 3-2 in the LMC.

The first two possessions of the game — one by each team — ended with punts.

On 1st and 10 at Grayling's 39-yard line, quarterback Jimmy Osga threw a short pass to Isaac VanNuck, who broke a tackle and ran all the way to the end zone for a touchdown. Jason Drudge kicked the extra point and GHS led 7-0 with 8:56 left in the first period.

The Vikings attempted an onside kick. The Gladiators fumbled on the play and Josh Stapleton recovered the ball for Grayling at the 41-yard line of Traverse City St. Francis.

A run by Ryan Cooper and a shovel pass from Osga to fullback Tim VanNuck brought up 1st and 10 at the 23-yard line. On 3rd and 10, I. VanNuck passed to Stapleton in the end zone for a touchdown. With the extra point kick by Drudge, Grayling led 14-0 with 6:37 left in the first quarter.

Vikings finish three-game week with 4-3 win at Standish

■ **Soccer team falls to Harbor Springs 4-3 on last second overtime goal on Monday**

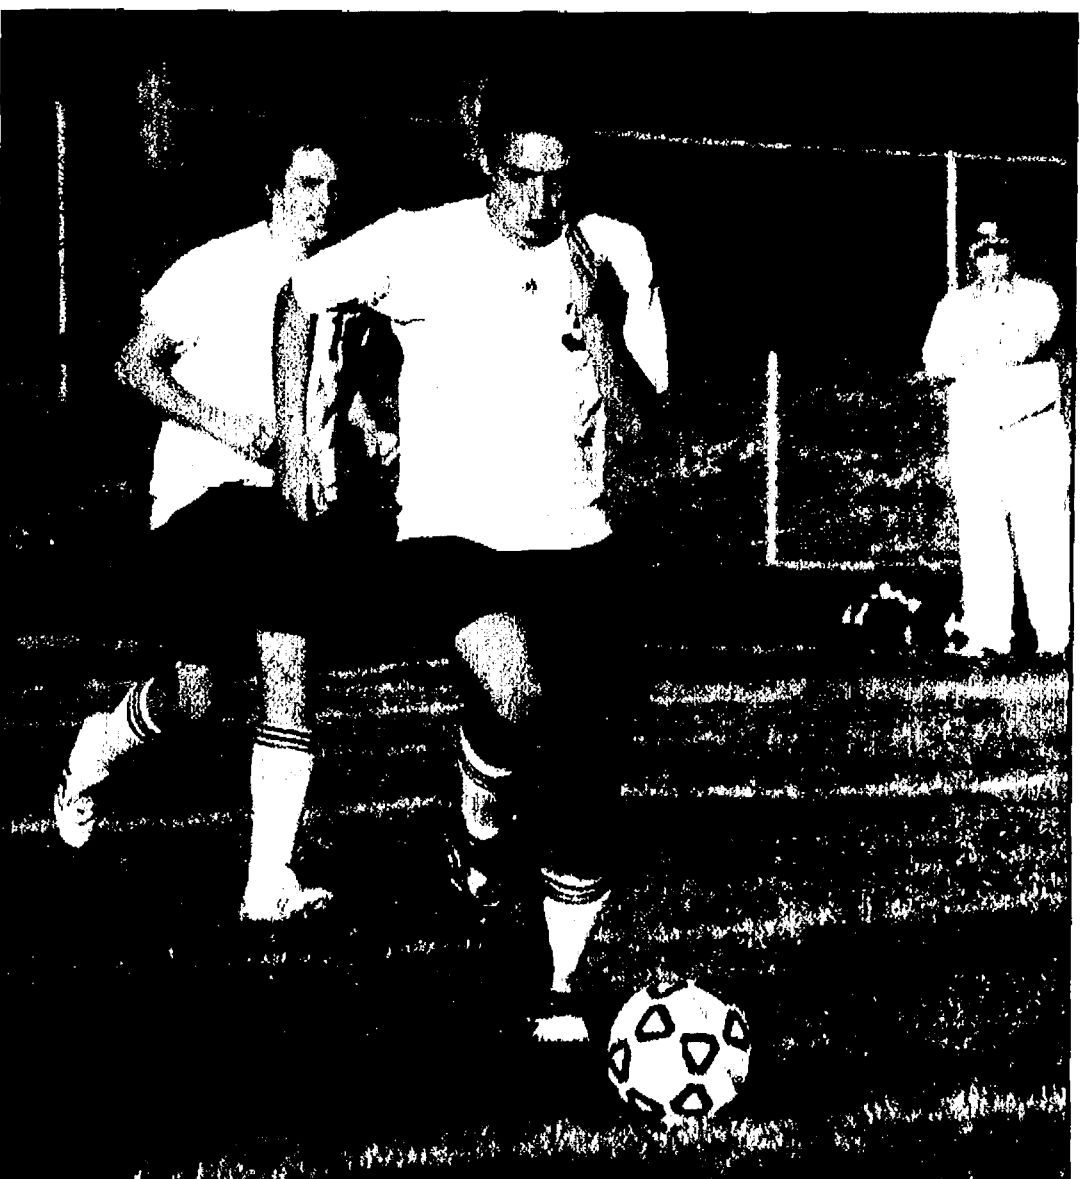

The GHS boys soccer team played in three games last week, all of which were decided by one goal. The Vikings won 4-3 at Standish on Thursday, but lost to West Branch and Harbor Springs earlier in the week.

On Thursday, Max Kluge had two goals and Jan Fried and Jon Lovely each had one goal in a 4-3 victory at Standish Sterling Central.

"We came out tired from two hard games earlier in the week. Some players really stepped up about 20 minutes into the first half. They worked the ball around well. Despite being down 0-1 early, we were able to fight back and score two more goals. We won the game 4-3," Coach Craig Cobb said.

On Wednesday, the Vikings lost 2-1 to the West Branch Ogemaw Heights Falcons in a game played at Grayling High School.

Vikings fall to Gladiators in JV football game on Thursday

■ Traverse City St. Francis scores TDs on first six possessions and wins 42-14 at GHS

by Caleb Casey
Senior Staff Writer

Grayling High School's junior varsity football team lost to the Traverse City St. Francis Gladiators 42-14 at GHS last Thursday.

On the first series of the game, Traverse City St. Francis drove 53 yards on six plays and finished the possession with a five-yard touchdown run. With the extra point, TCSF led 7-0.

The Gladiators intercepted a Grayling pass attempt on 1st and 10 and drove 31 yards on three plays for their second TD of the game. Traverse City St. Francis finished the series with a three-yard touchdown run and kicked the extra point for a 14-0 lead.

On 3rd and 8, quarterback Zach Wolcott threw deep to Cody Myers, who caught the pass in stride and ran all the way to the end zone for a 75-yard touchdown. Joey Contreras kicked the extra point and TCSF led 14-7 with 6:17 left in the first period.

The Gladiators capped a four-play, 57-yard drive with a 44-yard TD run. With the extra point kick, TCSF led 21-7.

The Vikings punted on 4th and 17 and Traverse City St. Francis finished another four-play, 57-yard series with a 15-yard touchdown pass. After the extra point kick, TCSF had a 28-7 lead with 25 seconds left in the first quarter.

The Gladiators returned a Grayling punt to the 22-yard line of the Vikings. On the third play of the possession, Traverse City St. Francis scored on an 11-yard TD run. TCSF kicked the extra point and led 35-7.

Grayling punted on 4th and 14 and Traverse City St. Francis took over at its 49-yard line. Nine plays later, the Gladiators ended the series with a six-yard touchdown run followed by an extra point kick on the conversion.

Traverse City St. Francis led 42-7 at halftime.

Grayling started at its 25-yard line on the first possession of the second half. Three runs by Wolcott gained 13 yards and a first down. Wolcott passed to Jordan Helsel for a 30-yard gain.

A pass from Wolcott to Tyler Brigham picked up five yards. On 2nd and 5, Grayling fumbled and Traverse City St. Francis recovered the ball.

After a punt by the Gladiators, Grayling started at its 40-yard line. A pass from Wolcott to Nick McDonald gained 14 yards. On 2nd and 10, Wolcott threw deep to Myers for a 46-yard TD pass. Contreras kicked the extra point for the Vikings.

Traverse City punted on 4th and 4 and Grayling punted on 4th and 10. On 2nd and 8, the Gladiators fumbled and Ryan Teeple recovered the ball for the Vikings.

Grayling turned the ball over on downs with an incomplete pass on 4th and 18. TCSF punted on 4th and 7. The Vikings fumbled and Traverse City St. Francis recovered. The Gladiators fumbled on the fourth play of the resulting series and Matt Duncel recovered the ball for GHS. Grayling punted on 4th and 10 and Traverse City St. Francis kneeled twice to kill the final 1:14. The Gladiators won 42-14.

Wolcott finished with 245 passing yards with two touch-

downs and one interception. Myers had three receptions for 172 yards and two TDs. Helsel caught five passes for 54 yards.

"The offensive line continues to improve. This week they blocked 79 percent, which is a big improvement from where they started the season," Coach Chris Kucharek said. "We learned the importance of following your reads this week. We had several players who did not make a read the whole game. When you're playing a team as good as TC, they will find a way to take advantage of players who are not making their reads."

Last Thursday's game included a parents night ceremony and a halftime performance by Grayling Elementary and AuSable Primary girls who participated in this year's GHS junior cheer clinic. Also, former GHS baseball and football coach Fred Wolcott gave the Vikings a special pregame speech prior to the contest.

"It was a good night for parents night," Coach Kucharek said.

The Vikings (2-4-1) will play at Boyne City on Thursday, Oct. 11.

Grayling falls to East Jordan 3-2 in varsity volleyball meet

■ Vikings defeat Houghton Lake 25-13, 25-19 in a series at Ogemaw Heights

The Grayling Vikings lost a best of five varsity volleyball series at East Jordan 3-2 last Thursday.

East Jordan won the first game 25-20. Grayling took the second game 26-24. The Red Devils edged GHS 28-26 in the third game. The Vikings tied the series at 2-2 with a 25-22 victory in game four. East Jordan won the series 3-2 with a 15-11 victory in the fifth game.

Rachel Ward led Grayling in kills with 12. Annie Melroy had 10 kills. In serving, Shentele Apps had a team-high four aces. Apps also led the team in serve receive with 80 percent accuracy. Alyssa Lewis led the Vikings in assists with 27. Ashley Feldhauser and Renee Clair each had one block.

"East Jordan hustled on defense and caught us off guard on a couple of tips. They served very well, which made it difficult to receive off of. Even though we lost, I feel that there has been huge improvements to our team. Last time we lost three games

right away with little fight. Last night we played more as a team than ever and made them work harder than they expected to. The girls played for each other and no one else," Coach Jessica Szymoniak said.

"A lot of behind the scenes gains have been made by key players that don't get to show up on stats, like my middles running quicker attacks and blocking solidly. My defense is hustling more, communicating better, and not expecting someone else to take the ball. I like what they are doing and hope they continue to improve for the rest of the sea-

son," Coach Szymoniak said.

On Monday, the Vikings played in a four-team meet at Ogemaw Heights. Grayling defeated Houghton Lake 25-13 and 25-19, but lost to Roscommon (25-17, 25-10) and Ogemaw Heights (25-13, 25-9) in best of three series.

"The night was led by Annie Melroy's solid performance on defense and offense. She had 13 kills on the night and 20 digs. Alyssa Lewis had 24 assists and Jessie Baker had four aces," Coach Szymoniak said.

Grayling will play at Gladwin on Thursday, Oct. 11.

JV, freshman volleyball teams defeat Houghton Lake

■ Junior varsity squad wins two of three series at Houghton Lake on Monday night

The GHS junior varsity and freshman volleyball squads posted wins over the Houghton Lake Bobcats in four-team meets held last Monday at Grayling and Houghton Lake.

The JV team played its meet at Houghton Lake. Grayling defeated the Bobcats 2-1 (25-12, 25-27, 15-6) in a best of three series. The Vikings beat Roscommon 2-0 (25-15, 25-13). Grayling lost to West Branch 23-25, 11-25.

After Monday's two wins and

one loss, Grayling's season record moved to 10-3.

"The girls are playing very strong. They are able to compete with any team. They are strong serving and passing, which allows them to be strong hitters," Coach Jenny Swander said.

The GHS freshman team hosted West Branch Ogemaw Heights, Houghton Lake, and Roscommon on Monday.

The Vikings won 25-15, 25-10 vs. Houghton Lake.

"The girls played well and had great spirit on the court and on the bench," Coach Brooke Laurent said.

Grayling lost to Ogemaw Heights 2-1 (25-22, 23-25, 13-

15).

"The girls really worked hard in this game. Ogemaw was a tough competitor and had some strong hitters from the front row. I was proud of how the girls played and the intensity of each match," Coach Laurent said.

The Vikings won the first game against Roscommon 25-6. The Bucks took game two 27-25, and won the rubber match 15-6.

"The first game the girls came out really strong and dominated the court. They had great communication and played hard. The second game Roscommon worked hard to come back and the game was point for point. The third game we struggled

with covering the court and Roscommon used this to their advantage. The girls have been working hard and you can definitely see the improvement on the court," Coach Laurent said.

"Cassie Carter had an amazing night with some incredible blocks and hits from the front row. My primary setters, Rebecca Money and Elizabeth Kengel, hustled at every ball and made the plays happen. Richelle Grosskopf also did an outstanding job in the front row and is really making gains on her spiking," Coach Laurent said.

The JV and freshman volleyball teams will play at Gladwin on Thursday, Oct. 11.

GRAYLING REDSKINS FOOTBALL

Junior Varsity (7th grade) - The Grayling Redskins JV football team defeated the Gaylord Blue Devils 34-28 on Wednesday, Oct. 3.

Chris Phillips ran for 102 yards on 10 carries and passed for 45 yards on two completions. Scott Parkinson rushed for 35 yards on two carries and caught three passes for 65 yards. Ty Jensen passed for 95 yards on five completions. Wes Dean had two catches for 45 yards, and Mason Krey caught one pass for 15 yards. Phillips scored two TDs, and Jensen, Zach Mack, and Brandon Handrich each scored one TD for Grayling. Jensen passed to Parkinson for one extra point.

On special teams, Jensen had 50 return yards. Mack had 75 return yards, including a TD.

On defense, Jensen had three sacks and Dean and Jeff Enos each had two sacks. Parkinson and Mack each had one interception. Levi Korneli, Mack, Darren Labo, Jacob Hoover, Jeff Palmer, Handrich, and Arron Kiessel also had tackles for the Redskins.

"The guys played a great game," Coach Jeff Parkinson said. "We went up early on them so all of our players got some quality playing time. Everyone did great. We had some special plays. Zach Mack had a great kickoff return of 75 yards. Brandon Handrich had a steal, where he took the ball away from the Gaylord runner and scored a TD. Parkinson had his fourth interception of the year. Defense was great again,

with many players stepping up and getting some playing time at new positions."

"Good win against a quality school program. They only play four games, so when they called asking us to play, we said sure, and the boys played great," Coach Parkinson said.

On Saturday, Oct. 6, the Redskins lost to the Alpena Jets 47-21.

Dean, Jensen, and Jacob Cochran scored TDs for Grayling. Enos kicked one extra point and Jensen scored an extra point on a pass from Parkinson. Parkinson caught a 45-yard pass from Phillips and Blake Hatfield caught a 25-yard pass from Parkinson.

On defense, Jensen had two sacks and "Enos, Jake Hoover, and Handrich all played tough," Coach Parkinson said.

"This was a very physical game for us. The Jets are an undefeated team and we found out why. They were able to move up and down the field all day. They have some very big and good players. We made a few adjustments and set some goals at halftime and came out and ran the ball hard to put up a few scores. The guys were really frustrated out there, nothing seemed to be working for us. But those who were out there stuck together as a team and fought for every yard and score we could get," Coach Parkinson said. "They were a well coached team and their players were well disciplined. It was hard for us to find the ball all day on defense and when we were on offense they seemed to stop our drives at the right time.

We were proud of the guys for not giving up when the going got tough."

The Redskins (4-4) play at Gladwin at 2 p.m. on Saturday, Oct. 13.

Freshman 1 (5th&6th grade) - The Grayling Redskins freshman 1 team defeated the Alpena Jets 30-20 on Saturday, Oct. 6.

Brett Jobin rushed for 179 yards on nine carries with five TDs. Emmett Helsel ran for 25 yards on four carries. Matt Burrell completed two passes for 25 yards and had 16 rushing yards. Kevin Harris had 32 receiving yards and Sammy Cousins had 14 receiving yards.

Leading tacklers for the Redskins: Jeff Myers (16), Jobin (14), Helsel (12), Lucas Walesky (12), Cousins (8), Anthony Morse (8), Burrell (6), Zack Cheney (6), Woody Hartwick (5). Jobin had two sacks, Helsel had three sacks, and Harris had one interception.

"As a team we played four quarters of hard-nosed football. This game shows how much heart this group of kids have. They were behind the whole game until the fourth and never gave up. This was a team that had some big kids, but our kids were in better shape and it showed in the fourth quarter. We preach to the kids about conditioning and they all work very hard and this was a big factor in this victory," Coach Larry Duvall said.

"On defense our front three were disruptive all day. At defensive end Woody Hartwick and Zack Cheney played very

well for us. Our secondary - Sam Cousins and Anthony Morse - did a good job against a much bigger receiving corps. Brett Jobin had a big day for us as he caused a fumble and returned it for a touchdown. Emmett Helsel played his best game yet at middle linebacker, recording three sacks for the day on 14 tackles. Kevin Harris had a key interception towards the end of the game to take away any chance of a comeback for Alpena. Coach Helsel and myself are extremely proud of the kids and their efforts," Coach Duvall said.

October is...

National DENTAL HYGIENE Month

October celebrates National Dental Hygiene Month because keeping up with proper Dental Hygiene is very important to your health. Whether you are young or old, you should follow these 8 basic steps to creating that beautiful smile you always dreamed of.

- Brush front and back of each tooth after every meal.
- Be sure to brush the chewing surface of each tooth.
- You only need a tiny bit of toothpaste.
- Be gentle.
- Floss every day.
- Use a fresh section of floss for each tooth.
- Move floss around teeth in a "C" shape.
- Slide the floss up and down between teeth slowly.

St. Francis erases Grayling's 14-0 lead, wins league showdown 48-28

Continued from Page 1B

The Gladiators punted on 4th and 11 and Grayling punted on 4th and 8.

Traverse City St. Francis drove 52 yards on eight plays and finished the series with a six-yard TD run on 2nd and goal. With the extra point kick, the Gladiators trailed 14-7 with 43 seconds left in the first period.

On 4th and 7 deep in Grayling territory, a low snap resulted in a botched punt attempt and a fumble. The Gladiators recovered the ball at the 8-yard line and ran the ball into the end zone on 2nd and goal from the 6-yard line. Traverse City St. Francis added the extra point kick and the score was tied at 14-14 with 10:30 remaining in the first half.

Grayling gained 11 yards on a pass from Osga to I. VanNuck on 1st and 10. Cooper ran for 35 yards on the next play. Three plays later, on 4th and 1, the Vikings went for it and were stopped short. TCSF took over on downs.

The Gladiators finished a 78-yard, nine-play drive with a 29-yard touchdown run on 1st and 10. Traverse City St. Francis kicked the extra point and led 21-14 with 5:36 left in the second quarter.

Grayling answered with an eight-play, 70-yard scoring drive. A pass from Osga to I. VanNuck and a run by I. VanNuck gained 14 yards and a first down. Passes from Osga to Stapleton and T.

Receiver Josh Stapleton battles for yardage after catching a pass on Saturday.

VanNuck and a run by Cooper picked up another first down. On 2nd and 10, Cooper finished the possession with a 44-yard TD run. Drudge kicked the extra point, tying the game at 21-21 with 2:13 left in the first half.

Traverse City St. Francis responded with a quick scoring drive. The Gladiators capped a seven-play, 69-yard drive with a 15-yard TD pass on 3rd and 7. The extra point kick sailed wide right and TCSF led 27-21 with 49 seconds left in the second period.

On 1st and 10, Traverse City St. Francis intercepted a deep pass by Grayling.

On 1st and 10, the Gladiator ball carrier got free and ran down the sideline for a big gain before being caught from behind by Cooper. The play was negated by a block in the back penalty. On 1st and 11, Dustin Schutt and Tim Gerow sacked the quarterback to end the first half. TCSF led 27-21.

Traverse City St. Francis recovered Grayling's onside kick to start the second half. The Gladiators drove 52 yards on seven plays and finished the possession with a 17-yard touchdown pass. The two-point conversion attempt failed and TCSF led 33-21.

A pass from Osga to Stapleton and a run by Cooper picked up 14 yards. On 2nd and 10, Traverse City St. Francis intercepted a Grayling pass play. On the second play of the resulting possession, the Gladiators fumbled and Eric Ferrigan recovered the ball for the Vikings.

A pass interference penalty on TCSF on 2nd and 8 moved Grayling 15 yards and into Gladiator territory. On 4th and 3, Osga passed to T. VanNuck for a first down. Cooper ran for 16 yards on the next play. The drive ended with an incomplete pass on 4th and 11.

Traverse City St. Francis took

over at its 17-yard line and punted on 4th and 4 after three plays.

Grayling started at its 14-yard line with 12:00 left in the fourth quarter. Runs by Osga and Cooper and a 29-yard pass from Osga to Stapleton picked up a first down. Osga passed to Drudge for 26 yards on 2nd and 11. Cooper ran for 23 yards on first down to bring up 1st and goal at the 5-yard line. Cooper finished the drive with a five-yard TD run on the next play. Drudge kicked the extra point, and GHS trailed 33-28 with 9:11 left in regulation.

Traverse City St. Francis answered with a five-play, 45-yard touchdown drive capped by a three-yard TD run on 3rd and 3. The touchdown run was set up by a 39-yard pass play on 2nd and 9. TCSF threw into the end zone for the two-point conversion, and the Gladiators led 41-28 with 7:07 remaining.

A pass from Osga to Cooper gained 23 yards on 2nd and 6. A QB sack on 3rd and 8 brought up 4th and 19, and an incomplete pass ended the possession on downs.

Grayling forced Traverse City St. Francis to punt on 4th and 13. Two penalties on Grayling during the return put the Vikings at their own 3-yard line.

A run by Cooper and a pass from Osga to Stapleton gained enough for a first down. On 2nd and 1, Traverse City St. Francis intercepted a Grayling pass and returned the ball to the 4-yard line. On 1st and goal, the Gladiators ran the ball into the end zone and kicked the extra point to lead 48-28 with 2:40 left in the game.

Grayling moved the ball across midfield, but time expired after the seventh play of the possession. Traverse City St. Francis won by a final score of 48-28.

"We came out sky high and jumped out to an early lead of 14-0. I was proud of our intensi-

ty and that we were not intimidated of mighty St. Francis. It was a very physical game and St. Francis ended up wearing us out. They had too many athletes and were able to substitute effectively throughout the game," Coach Ben Brock said. "The heat took a toll on both teams as numerous players had to be taken care of due to dehydration and exhaustion. Our playmaker, Isaac VanNuck, left the game due to an ankle injury early in the second half. Tim VanNuck played most of the game with a concussion and was limited."

"There is no excuse for why we didn't win. Still, our playbook was limited once Isaac went out with his injury. Ryan Cooper, Jimmy Osga, and Josh Stapleton stepped up huge for us offensively. Spencer Dean and Geo Bindschatel fought the elements and racked up double digits in tackles," Coach Brock said. "We exploited a lot of their weaknesses and they did the same to us. I am proud of how we battled as we finished with over 420 yards of total offense. They finished with 299. Our defense needs to improve, but I know that our kids gave everything that they had."

Cooper finished with 19 carries for 150 yards and two TDs and three receptions for 25 yards. Osga passed for 232 yards and one TD. I. VanNuck had three catches for 76 yards and one TD. He also passed for one TD. Stapleton caught 10 passes for 104 yards and one TD.

On defense, Dean had 12 tackles, Bindschatel had 10 tackles and one sack, Stapleton had 10 tackles and a fumble recovery, and Ferrigan had nine tackles and a fumble recovery.

"We cannot feel sorry for ourselves as we are battling 6-1 Boyne City this Friday. They are tough and they stop the run very well. Coach David Hills will have them ready to play and we will need to throw to be effective against their defense," Coach Brock said.

The Vikings (5-2 overall, 3-2 conference) will host the Boyne City Ramblers (6-1 overall, 4-1 conference) at 7 p.m. on Friday, Oct. 12. Grayling will finish its 2007 regular season with a home game against the Charlevoix Rayders (2-5 overall, 2-3 conference) on Friday, Oct. 19, at 7 p.m.

Vikings finish three-game week with 4-3 win at Standish

Continued from Page 1B

At the end of the first half, the score was tied at 0-0. Kluge scored the first goal of the game at the 26:04 mark in the second half. On a breakaway, the Ogemaw goalkeeper stopped Kluge's initial shot, but he put the rebound into the net for a goal.

West Branch scored two goals in the last 15 minutes of the game (14:25 and 8:54) to win the contest 2-1.

"We played against an experienced West Branch team that beat us 7-2 earlier in the season. We came out to an early lead with a goal by Max Kluge. We held a 12-senior West Branch team to zero goals in the first half. West Branch came out strong and scored two goals. We played them much tougher than when we saw them earlier in the season. We never gave up," Coach Cobb said.

"We had our opportunities — they just didn't go in for us in the second half. I was very happy with the way we played. It was a tough game and it could have gone either way. It says a lot

about our young team when we are able to compete against a senior-led West Branch team," Coach Cobb said.

On Monday, the Vikings lost to Harbor Springs 4-3 at GHS.

Kluge scored the first goal of the contest (25:39) to give GHS a 1-0 lead. At the first half's 15:49 mark, Kluge scored on a direct kick from Fried and GHS led 2-0.

Harbor Springs scored three goals in the last 12 minutes of the first half (11:47, 7:38, and 1:02) to lead 3-2 at halftime.

Nine minutes and 29 seconds into the second half, Kluge tied the game at 3-3 with a goal for the Vikings. The game remained tied as regulation expired.

With one second left in overtime, Harbor Springs scored on a header from a corner kick to win the game 4-3.

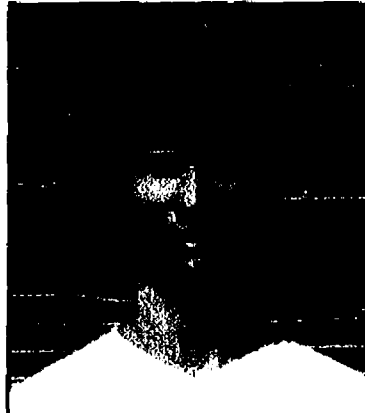

"Another three game week," Coach Cobb said. "This was a tough week against some strong programs, but we are playing well. We may not display the best record at this point, but we are in every game and I can see us finishing the season very

strong."

The Vikings (6-10) will play at Elk Rapids on Thursday, Oct. 11.

"Andy is a great defender and, as sweeper, our last line of defense. He has done a great job this season in a very difficult position on the field. We recognized just how much he impacts the game as he had to be taken off the field on Thursday," his coach said.

BEAVER CREEK TOWNSHIP NOTICE OF PUBLIC HEARING ON PROPOSED GARBAGE AND REFUSE TRANSFER STATION SPECIAL ASSESSMENT DISTRICT

PLEASE TAKE NOTICE that Beaver Creek Township Board will conduct an initial public hearing on the proposed construction and operation of a garbage and refuse transfer station pursuant to a Resolution adopted 9/10/2007, which tentatively includes the creation of a Special Assessment District pursuant to PA 188 of 1954, as amended, to cover the cost thereof, and a second public hearing to approved to tentative assessment roll assessing all improved residential properties the sum of \$36.00 each year beginning in 2007;

DATE OF BOTH PUBLIC HEARINGS: October 15, 2007
TIME OF INITIAL PUBLIC HEARING 7:00 PM
PLACE OF PUBLIC HEARINGS: Beaver Creek Township Hall, 8888 S. Grayling Rd., Grayling, MI (989) 275-8878

PLEASE TAKE FURTHER NOTICE that Beaver Creek Township Board will present plans and estimate of costs for the construction and operation of the garbage and refuse transfer station and shall hear comments and objections concerning the proposed improvement.

PLEASE TAKE FURTHER NOTICE that the Township Board will hear objections to the creation of the proposed "Garbage and Refuse Transfer Station Special Assessment District" at said public hearing, which may include the right of the Township Board to periodically redetermine the cost of the annual assessment without further Notice to the assessed property owners.

PLEASE TAKE FURTHER NOTICE that, if written objections to the proposed Garbage and Refuse Transfer Station Special Assessment District, equal to 20% of the total land area within the District, are filed with the Township Board at or before the initial Public Hearing, the Special Assessment District shall not be created unless valid petitions from land owners equal to 50% of the total land area within the proposed District are filed with the Township Board.

PLEASE TAKE FURTHER NOTICE, that if the Township Board, following the said initial Public Hearing, determines to create the Special Assessment District and has directed the Supervisor to prepare the Assessment Roll assessing each residential improved parcel within the Township an equal amount, based equally upon benefit to each such property, the Township Board will hold another public hearing immediately thereafter for persons to review the tentative Assessment Roll and to hear objections to the Assessment Roll.

PLEASE TAKE FURTHER NOTICE, that the tentative Assessment Roll may be examined at the office of the Township Clerk during regular business hours up to the time of the second hearing and at the hearing; a person objecting to the Assessment Roll shall file the objection in writing with the Township Clerk before the close of this second hearing. Appearance and protest at this hearing, or in writing before this second hearing, is required in order to appeal the assessment to the Michigan State Tax Tribunal, which must be done within 30 days after the Assessment Roll is confirmed. If the Township Board confirms the Special Assessment Roll following the close of this second public hearing, all assessments shall be final unless an action is brought in the Crawford County Circuit Court within 30 days after confirmation, contesting the Assessment Roll.

The Beaver Creek Township Board will provide necessary aids and services, such as signers for the hearing impaired and audio tapes of printed materials being considered at the meetings, to individuals with disabilities at the meetings or public hearings, upon 7 days notice before the public hearings, to the Township Board.

DATE OF BOTH ADJOURNED PUBLIC HEARINGS: October 22, 2007

TIME OF INITIAL ADJOURNED PUBLIC HEARING 2:00 PM
PLACE OF ADJOURNED PUBLIC HEARINGS: Beaver Creek Township Hall, 8888 S. Grayling Rd., Grayling, MI (989) 275-8878

PLEASE TAKE FURTHER NOTICE that Beaver Creek Township Board will present plans and estimate of costs for the construction and operation of the garbage and refuse transfer station and shall hear comments and objections concerning the proposed improvement.

PLEASE TAKE FURTHER NOTICE that the Township Board will hear objections to the creation of the proposed "Garbage and Refuse Transfer Station Special Assessment District" at said public hearing, which may include the right of the Township Board to periodically redetermined the cost of the annual assessment without further Notice to the assessed property owners.

PLEASE TAKE FURTHER NOTICE that, if written objections to the proposed Garbage and Refuse Transfer Station Special Assessment District, equal to 20% of the total land area within the District, are filed with the Township Board at or before the adjourned initial Public Hearing, the Special Assessment District shall not be created unless valid petitions from land owners equal to 50% of the total land area within the proposed District are filed with the Township Board.

PLEASE TAKE FURTHER NOTICE, that if the Township Board, following the said adjourned initial Public Hearing, determines to create the Special Assessment District and has directed the Supervisor to prepare the Assessment Roll assessing each residential improved parcel within the Township an equal amount, based equally upon benefit to each such property, the Township Board will hold another public hearing immediately thereafter for persons to review the tentative Assessment Roll and to hear objections to the Assessment Roll.

PLEASE TAKE FURTHER NOTICE, that the tentative Assessment Roll may be examined at the office of the Township Clerk during regular business hours up to the time of the adjourned second hearing and at the hearing; a person objecting to the Assessment Roll shall file the objection in writing with the Township Clerk before the close of this adjourned second hearing. Appearance and protest at this hearing, or in writing before this second hearing, is required in order to appeal the assessment to the Michigan State Tax Tribunal, which must be done within 30 days after the Assessment Roll is confirmed. If the Township Board confirms the Special Assessment Roll following the close of this adjourned second public hearing, all assessments shall be final unless an action is brought in the Crawford County Circuit Court within 30 days after confirmation, contesting the Assessment Roll.

The Beaver Creek Township Board will provide necessary aids and services, such as signers for the hearing impaired and audio tapes of printed materials being considered at the meeting, to individuals with disabilities at the meetings or public hearings, upon 7 days notice before the public hearings, to the Township Board. Such individuals should contact Sharon K. Hartman, Clerk at the stated address and phone number.

Kay Fox, a sophomore at Central Michigan University, saved seven year old Danny Montgomery from drowning in the Chippewa River. Montgomery had sunk to the bottom once before Fox reached him and pulled him to shore. Fox's rescue came in early September and Donald Montgomery wrote a thank you letter to Fox in the Central Michigan newspaper. Fox is a 1983 GHS graduate.

A pre-employment program operated by Kirtland Community College, with the cooperation of the Grayling Health Care Center, could result in as many as 35 persons finding jobs here. An earlier pre-employment program run at the Grayling Health Care Center resulted in 20 of the students being hired at GHCC. Another program, started two weeks ago, could result in as many as 15 of the students being hired at the center.

Grayling girls basketball team won their fourth straight league game and set up a showdown with Charlevoix for first place in the league. Both Grayling and Charlevoix had 4-0 records heading into the game played at the Vikings court.

The word is out. Don't come to Grayling to play football during the Vikings' Homecoming. Last year, Grayling handed state champion St. Ignace their only

loss in two years, and this year Grayling stuffed Gaylord and their league leading rusher and scorer, Todd Nowak. Grayling also retained the "Pine Log" with their 7-5 win over rival Gaylord.

The Crawford County Auto Dealers Association's second annual auto show is all set for Friday evening, Oct. 13, on Michigan Avenue between Cedar Street and Peninsular Avenue. Well over 20 models of several different makes of cars and trucks will be on display. Dealers will be on hand to answer questions concerning the cars. To add a carnival atmosphere to the occasion, the Grayling High School homecoming parade, complete with band and floats, will kick off the celebration at 3 p.m.

Three of our local nimrods, Larry McNamara, Clyde Peterson and Bud Stephan, returned home from a 10 day hunting trip in Canada, each one in possession of a bull moose. The men were hunting about 70 miles northwest of Oba, Ontario, a location they reached by canoe from Oba. The three bulls were estimated weighing between 900 and 1,100 lbs. Bud Stephan, getting the largest of the three.

The first section of Interstate 75 Freeway in Crawford County was opened to traffic on Friday. The five-mile section of freeway, which extends from M-18 north

to Grayling, was completed nine months ahead of schedule.

Olson's, whose store was completely enlarged and remodeled earlier this year, have added a new sign to their new store front.

A hill of squash grown on the Ed Lozon farm, contained two squash weighing 40 lbs. The total weight of squash on the hill was 178 lbs.

There has been an increase of 14 cases of scarlet fever in the last seven days, bringing the total to 21 cases reported to the health department in the last three weeks. Parents have been cautioned that the mild case of infection is a serious factor in the spread of scarlet fever and they are urged to consult their physician.

Mr. and Mrs. Carlton Wythe have purchased the Bunting property located north of Mercy Hospital on US-27. Martha Marshall, in turn, bought the Wythe property on Peninsular Avenue.

Carl Kriepke, proprietor of the former Gothro barber shop, has rented the Sam Rasmussen apartments on Michigan Avenue and has moved his household furniture from Detroit.

Miss Margrethe Nielson is enjoying two weeks from her duties as cashier at Grayling State Savings Bank, leaving on a trip to Salt Lake City, Denver and Colorado Springs.

Roy Trudgeon attended the Kiwanis convention held in Ann

Arbor the first of the week. Roy is a delegate for the local club.

Chris Hoesli is adding the finishing touches to a double garage he had built on the property he owns on Park Street. Earl Burns and his family occupy the property.

Mr. and Mrs. Robert Gaylord and daughter Ruth, while at their Lake Margrethe cottage, entertained Mrs. Gar Wood of Detroit and Mrs. Glenn Kerr of New York City. Mr. Gar Wood accompanied by Mr. Glenn Bassett, one of the chief executives of the Gar Wood Industries, flew here for a brief visit. Mr. Wood piloted his own twin motor aquaplane and made a perfect landing in front of the Gaylord cottage on Lake Margrethe. It is our belief that this is the first landing of an aquaplane on that lake.

A new steam bath house has been started on the south side and is being constructed by Mr. and Mrs. Adam Hydylainen. This is the only one of its kind in Grayling.

Eli Forbush just finished digging over 1000 bushels of potatoes on the Ward Orchard Farm.

H. Swaffield, the south side grocer, expects to move his family into his store building this week.

Mrs. Constance Johnson of Beaver Creek and Mrs. John Wahlstrom have reopened the Scandinavian Hotel, that was formerly the McKay house.

Recipe of the Week: Pumpkin Streusel

Batter
Cooking Spray
1 1/2 cups all-purpose flour
2 envelopes rapid rise yeast
1/4 cup sugar
1/2 teaspoon salt
1 1/2 teaspoons pumpkin pie spice
1/4 cup butter OR margarine, melted
1/2 cup very warm milk (120° to 130°F)
1 egg
3/4 cup pumpkin, canned

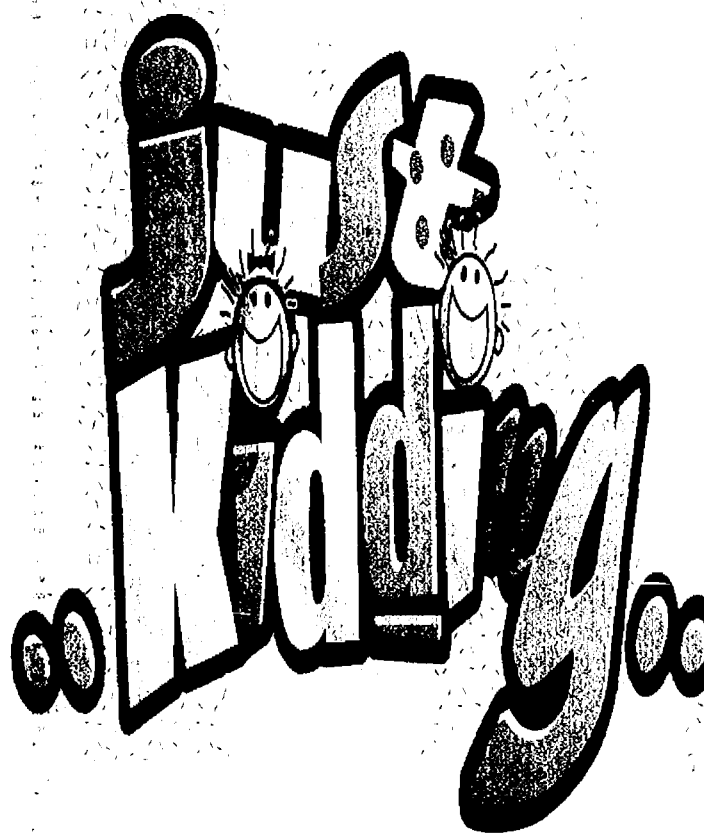

Streusel Topping
1/3 cup brown sugar
1/4 cup all-purpose flour
2 tablespoons butter OR margarine, softened
1/2 teaspoon pumpkin pie spice

Cream Cheese Frosting
1 package (3 ounces) cream cheese, softened
1 1/2 cups powdered sugar
1/2 teaspoon pure vanilla extract

Prep Time: 20 Min. Bake Time: 30 Min.

MIX batter ingredients in a presprayed 9 1/2-inch deep dish pie plate. Set aside for 5 minutes. Combine streusel topping ingredients in small bowl mixing with fork until uniform. Mix cream cheese frosting with electric mixer until very smooth. TOP batter with streusel topping. Using fingers, poke topping thoroughly into batter. BAKE by placing in a COLD oven; set temperature to 350°F. Bake for 30 minutes or until done. Cool 10 minutes, then spread frosting over top.
